# Issuing of pedigrees and documents

## 1. Original pedigree number is kept

For each cat, the number of their original pedigree is kept for its whole life, which was awarded by the club that issued the pedigree. The assignment of a new pedigree number by the own club to a cat from another club is not allowed.

## 2. Pedigree rewriting

The WCF member clubs cannot do a rewriting of a pedigree without having the original pedigree in their hands.

## 3. Documents of offenders

WCF member clubs of a country cannot rewrite documents of members who have been punished by the authorities of a country for illegal animal trade, animal maltreatment, etc. until the penalty has been lifted and the required official documents and certificates are issued.
